

## Historic move by Caritas India: A programme HARIT PRAYAS would be turning to a University Masters course!

Imagine an initiative started 3 years back, has now impact on community , policy makers and also to educational institutions!! Now stretch your imagination that **FIRST TIME in INDIA ( in fact I hope first time in world)** that there would be a Post graduate course based on 'development initiative' by a government university! Do you think could it be possible?Yes! Now you can come out of your imagination, this is the reality that HARIT PRAYAS programme ( started in 2010 By Caritas India with support from Caritas Spain and Caritas Italiana with three partners in 64 villages of Bundelkhand region) would be soon developed and taught as Post Graduation course ( **Probably Masters in HARIT PRAYAS & Rural Innovation**) by **India's first rural University (Mahatma Gandhi Chitrakoot Gramoday Vishwavidyalaya: [www.mgcvchitrakoot.com](http://www.mgcvchitrakoot.com))**. Interestingly it would be affiliated by the highest body of Education in India i.e. **UGC-University Grant Commission ([www.ugc.ac.in](http://www.ugc.ac.in))** .
